Dr. R. V. Pince Buffalo

Many women live where there is no skill-ful specialist in women's diseases, and still more cannot afford to pay the high fees charged. These aufferers should follow the example of Mrs. Anna Willy, of Northville, Spink Co., S. Dak., who writes as follows to Dr. R. V. Pierce, Buffalo, N. V.:

"I am enjoying good health, thanks to your kind advice and valuable remedies. I suffered very much with female ailments for more than two years, when I wrote to you for advice. After carefully fullowing your free advice, and taking six bottles each of Dr. Pierce's Pavorite Prescription and Golden Medical Discovery, I am sow a well, and happy woman. did me a great deal of good."

Dr. Pierce has probably treated and cured more cases of female weakness, pains in the back, side and abdomen, nervonsness, headache, irregularities, nicerations, tumors and other female troubles, tian any other living physician. His wide experience peculiarly fits him to bring about cures when every one else fails. He charges no fee whatever to those who write him for advice, and he invites all to consult him free by mail. His wonderful remedy, Dr. Pierce's Favorite Prescription, can be depended upon to overcome nearly every kind of disease that afflicts girls and women. It contains no alcohol, opium, or women. It contains no alcohol, opium, or other narcotics, and does not create craving for injurious stimulants, as is so often the case with other medicines advertised for

Eleven yellow young skeletons of soldiers victims of the Cuban campaign, were brought to Norristown in a hospital car, and the doctor, with his wonderful remedy, had them up and about in two weeks after their arrival.
